Spiral Lapghan

Designed by: Kristin Omdahl
for [Red Heart Yarns](#)

This unusually beautiful throw is knit starting from the center and working outwards until it is the perfect smaller size for relaxing. You only need four balls—two each of two colors—for this luscious room accent.

Materials:

- Yarn:
RED HEART® Boutique Treasure™:
2 balls each 1919 Watercolors A, and 1901 Mosaic B
- Needles:
Susan Bates® Knitting Needle: 6mm [US 10] circular needle, 24" (60 cm) long
- Yarn needle

Note:

RED HEART® Boutique Treasure™ Art E788 available in 3.5 oz (100 g), 151 yd (138 m) balls

Size:

Lapghan measures 40" (101.5 cm) square

Gauge:

12 sts = 4" (10 cm); 16 rows = 4" (10 cm) over Center Squares in Garter st (k every row), after blocking. CHECK YOUR GAUGE. Use any size needles to obtain the gauge.

Special Stitch:

ssk = Slip next 2 stitches, one at a time as if to knit, to right needle, insert point of left needle through front of sts, knit these sts together through back loop.

Notes:

1. Lapghan is worked from the center outwards, beginning with the Center Squares.
2. A large center square is worked, changing color to give the appearance of four squares.
3. Rounds of Triangles are then worked around the Center Squares.
4. Circular needle is used to accommodate width of fabric as Lapghan grows. Work back and forth in rows as if working with straight needles.
5. Because of the construction of the piece and the stretchiness of Garter stitch, the gauge (especially row gauge) varies throughout piece.
